| Chemistry:    | Alcohol: 14.1%<br>pH: 3.2<br>Total Acidity: 6.0<br>Residual Sugar: 0.0 |

Winemaker Notes: The 2017 vintage was intensely concentrated and focused at White Rock Vineyards. This Chardonnay is showing lively citrus notes, great depth and purity. This Chardonnay represents all the elegance and beauty of the 2017 vintage and the unique attributes of our 19<sup>th</sup> century winegrowing estate with ripe apples, nectarines dominate the nose, while fennel seed, praline and spice draw you into this medium-bodied, fresh Chardonnay.  
— C. Vandendriessche, *Winemaker*

Estate: White Rock Vineyards produces elegant and balanced Napa Valley Chardonnay, Claret and Cabernet Sauvignon, from fruit farmed on our family estate. Our 36-acre family run farm is situated in its own small valley in the southern foothills of the Stag's Leap Range on the historic site of White Rock Vineyards, which dates back to 1870. With a commitment to sustainable natural farming. We have never used herbicides, pesticides, or fumigants in our vineyard. We practice an integrated soil management program designed to ensure the health and fertility of our soils, including native cover crops, hand hoeing and mulching around the vines.
