Chemistry:	Alcohol: 14.7% pH: 3.7 Total Acidity: 5.9 Residual Sugar: 0.0

Winemaker Notes: Seductively fragrant with notes of black cherry and plum. Richly layered dark fruit, cassis, cocoa powder, a refined minerality, and a long finish. A true reflection of White Rock Vineyard's unique terrain, soils, sustainable farming, winemaking, and age-worthy wines.  
—C. Vandendriessche, 2nd Generation *Winemaker*

Estate: White Rock Vineyards produces elegant and balanced Napa Valley Cabernet Sauvignon, Claret, and Chardonnay from fruit farmed on our family estate. Our 36-acre family-run farm is situated in a small valley in the southern foothills of the Stag's Leap Range on the historic site of White Rock Vineyards, dating back to 1870. We are committed to sustainable, natural farming and have never used herbicides, pesticides, or fumigants in our vineyard. Our integrated soil management program includes native cover crops, hand hoeing, and mulching around the vines to ensure the health and fertility of our soils."
